The Chairman,
Public Accounts Committee,
Dail Eireann,
Leinster House,
Kildare Street,
Dublin 2.

10 February 2012

Dear Chairman,

Re: Cutbacks in HSE South

Question for the Public Accounts Committee:

How can the Department of Health justify spending five million euro moving the Primary Care Unit of Macroom, Co. Cork from a state owned purpose built building completed in 2002 to new building to which they have now committed themselves to a twenty five year lease of five million euros per annum?

Yours sincerely,

A concerned, taxpaying citizen.
