Committee of Public Accounts
Leinster House
Dublin 2

Dear Ms Lavelle

I am directed by the Commissioner to refer to your correspondence of 3 February 2012 in regard to Loughglynn Garda Station and provide the following by way of response.

The Commissioner is informed by the Office of Public Works (OPW) that the refurbishment works completed at Loughglynn Station relates to the maintenance of the fabric of the building and health and safety works relating to the removal of asbestos. The cost of these works is being met from the OPW Vote and not the Garda Vote. The OPW has advised that the contract for these works was signed on 2 September 2011 before the decision to close Loughglynn Garda Station was made. The work is now completed.

An Garda Síochána does not comment on matters of security including matters pertaining to the safety, security and welfare of former office holders. However all security measures that are in place for former office holders are kept under constant review.

Yours sincerely

M. B. MANGAN
