

About Gandon Coffins

Gandon Coffins is part of Rehab Enterprises, Ireland's largest single non-Government employer of people with disabilities, operating an integrated employment policy. Over 400 people are employed by Rehab Enterprises, more than half of whom are people with a disability.

Many of our workforce are people who, through a disability or otherwise, might have previously been excluded from the labour market and who now, through Rehab Enterprises, are enabled to play a full role in society.

We value all of our staff and endeavour to ensure that they have the opportunity to build real careers with us in jobs that they enjoy and which suit their individual talents and skills.
