Request for Information Note on the Sale of Bord Gáis Energy

Dear Ms Maguire,

I refer to your letter of 16th April on behalf of the Committee of Public Accounts seeking an information note on the sale of Bord Gáis Energy.

I understand that on foot of a similar request, the Secretary General of the Department of Communications, Energy and Natural Resources (which is the lead department in regard to the disposal of State assets in the energy sector) has furnished a note on this matter for the information of the Committee. I am happy that this information note stand in respect of both our departments.

Yours sincerely,

Robert Watt
Secretary General
